

## OTHER ATTRACTIONS

While in Vietnam, do plan a trip to some of the most amazing places around. One of the top tourist attraction in Vietnam, **Ha Long Bay** features thousands of islands, each topped with thick jungle vegetation, forming a spectacular seascape of limestone pillars. Other attractions include the **Thien Mu Pagoda** - the tallest pagoda in Vietnam, **Hoi An fishing village**, **Sa Pa Terraces** and the **Saigon River**. Another popular attraction not to be missed are the **Cu Chi Tunnels** - an immense network of connecting underground tunnels located about 40 km northwest of Ho Chi Minh City. The tunnels were used by Viet Cong guerrillas as hiding spots during the Vietnam War, and were the base of operations for the Tét Offensive in 1968.
